

Product Information

Black Soap, White Soap, Red Soap, Green Soap, each 100 g Certified natural cosmetics (COSMOS NATURAL)

Face and body soap made from valuable plant oils – enriched with activated charcoal from bamboo (Black Soap), healing chalk from the island Rügen (White Soap), red healing clay (Red Soap) and Moroccan lava clay (Green Soap). Crafted according to Speick Natural Cosmetics' traditional soap recipe with RSPO-certified palm oil from sustainable cultivation as well as coconut and olive oil. Suitable for all skin types.

Black Soap: Detox for combination and acne-prone skin

Basic skin care made of pure plant oils – mildly nurturing and fragrant with rosemary oil and lavender oils. Activated charcoal from bamboo absorbs toxins, foreign substances and harmful substances from the skin. Due to its large surface it binds unwanted foreign substances on the skin, removes dead skin flakes and unpleasant odours. The Black Soap supports deep pore cleansing and provides intensive care for healthy and radiant skin.

Ingredients: Sodium Palmate, Sodium Cocoate, Aqua (Water), Sodium Olivat, Glycerin, Charcoal Powder, Parfum (Fragrance), Rosmarinus Officinalis (Rosemary) Leaf Oil, Lavandula Hybrida Abrial (Lavandin) Herb Oil, Cetearyl Alcohol, Glyceryl Stearate, Potassium Stearate, Potassium Palmitate, Sodium Gluconate, Sodium Chloride, Sodium Thiosulfate, Limonene, Linalool

White Soap: Calming for dry and sensitive skin

Basic skin care made of pure plant oils – mildly nurturing and fragrant. Rügen healing chalk is known for refining the complexion and regenerating skin cells. It is known for its supportive effect in healing inflammations. The White Soap provides gentle cleansing and soothing care for healthy and radiant skin.

Ingredients: Sodium Palmate, Sodium Cocoate, Aqua (Water), Sodium Olivat, Glycerin, Parfum (Fragrance), Calcium Carbonate, Cetearyl Alcohol, Glyceryl Stearate, Potassium Stearate, Potassium Palmitate, Sodium Gluconate, Sodium Chloride, Sodium Thiosulfate, CI 77891 (Titanium Dioxide), Benzyl Salicylate, Linalool

Red Soap: Regeneration for sensitive and mature/dry skin

Basic skin care made of pure plant oils – mildly nurturing and fragrant. Red clay is rich in iron oxide, minerals and trace elements. It is known for its antioxidant properties, deep cleansing effect as well as boosting the skin's natural regeneration process. The Red Soap is suitable for deep cleansing and provides vitalizing care for healthy and radiant skin.

Ingredients: Sodium Palmate, Sodium Cocoate, Aqua (Water), Sodium Oliviate, Glycerin, Parfum (Fragrance), Kaolin, Cetearyl Alcohol, Glyceryl Stearate, Potassium Stearate, Potassium Palmitate, Sodium Gluconate, Sodium Chloride, Sodium Thiosulfate, Limonene, Linalool

Green Soap: Deep pore cleansing for oily and impure skin

Basic skin care made of pure plant oils – mildly nurturing and fragrant. Moroccan lava clay, also called Ghassoul, has been used since the 12th century in northern Africa, especially in Tunisia and Morocco, for facial, hair and body care. Thanks to its absorption power, the clay mineral is particularly suitable for quickly oily skin. Green lava clay can absorb excess oil and dirt without drying out the skin. It is a natural detergent that effectively supports the soap effect. The Green Soap offers deep pore cleansing and gives a healthy skin feeling.

Ingredients: Sodium Palmate, Sodium Cocoate, Aqua (Water), Sodium Oliviate, Glycerin, Parfum (Fragrance), Moroccan Lava Clay, Cetearyl Alcohol, Glyceryl Stearate, Potassium Stearate, Potassium Palmitate, Sodium Gluconate, Sodium Chloride, Sodium Thiosulfate, CI 77288, Cinnamyl Alcohol, Citronellol, Geraniol

Use: As a daily face and body cleanser.

Certified natural cosmetics (COSMOS): 100% free from artificial fragrances, colours and preservatives and mineral oils. Gluten- and lactose-free. Basic care. With RSPO-certified palm oil from sustainable cultivation. Dermatologically allergologically tested. Colour variations are naturally caused.
